

**EXHIBIT # 34**  
**CORBITT 50 SD6**

**USA**

The Corbitt 5 ton truck was intended to be a prime mover for artillery guns such as the M50 90 mm, M52 155 mm and the M55 203 mm artillery guns. Most of the trucks of this style were built by White, but this is one of the few manufactured by Corbitt.
